

Bennett leads bowlers to take honors

(3.16.2023)

Tamarcus Bennett was high for the week with a 24-strike performance during Monday Mixed League play.

After an opening first ball delivery that left the 6 pin for a spare, the left-handed Bennett made a two board adjustment and rolled 10 strikes in a row before leaving the 7 pin on the last ball for a 289 game. He followed with individual games of 221 and 225 for a 735. Bennet had also posted a 255-695 in last Thursday's Sundowners League.

T.J. Mooney followed last week's 769 set with another good week of bowling. He rolled individual games of 213, 279, and 227 for a 719 total in Monday Mixed play and had posted a 656 last Thursday night. A 10 pin leave in the sixth frame of the second game stopped his bid for a 300 game. The 719 set helped his team set a new four men team City Record series of 2,762 and missing the single game record by 7 pins with a 991 in the second game.

J.P. Reyna rolled a career high series to lead the Thursday Night Sundowners and third high for the week. He blasted the pins with a 25-strike performance and individual games of 278, 223, 215 for 716. After opening league play with a double, he left a 10 pin the third frame of his first game before reeling off 8 strikes and 9. After two clean games, two missed spares his last games hurt his total count.

Rene Silgero was the third bowler to reach the 700 mark on Monday Night with games of 222, 224, 257 for 703.

Other bowlers breaking the 250-650 mark were Joey Matson (253-698), Mike Stacy (690/256-650), Jacob Silgero (687), Gary Hatter Jr. (269-687), Steve Zeplin (254-683), Nick Picard (682), Mark Svatek (674), Harvey Hernandez (278-

654), Kenny Schupbach (653), Aaron Rester (266), Woody Wood (257), and Scott Snow (257).

Kayla Shaffer was high for the women again with a very nice series during Monday Mixed League play. She rolled individual games of 191, 226, and 211 for a 628 series

Trudy Wortham with 214-562 and Alyssa Adames with 553 posted the next highest sets.

A new scratch City record was set when the team Glory Bowl posted a 2,762 series during Monday Mixed competition. Team members and scores were Mark Svatek (674), Nick Picard (682), Jacob Silgero (687), and T.J. Mooney (719). The previous record was 2,744, held by Steve Zeplin, David Erdelt, Steve Dickinson. Larry Boyd, bowled in 2010.
