

2019 Hall of Fame Inductee: Ida Caballero

Ida Caballero has bowled in Victoria for 28 years. Many members of Ida's family are bowlers including her husband, Lee (VUSBC Hall of Fame member), and daughter, Alicia. Other family members include her mother Minnie and step-dad Mike; fur-babies Loki and Remy and two that have passed—Mike and her beloved Tiggy; and a grand-puppy Delano.

In addition to her bowling accomplishments on the lanes, Ida served on the VWBA Board of Directors for several years.

When asked what she thought her biggest bowling accomplishment, achievement, or service was, she said it was serving as a YABA coach and helping the youth to develop their bowling skills and their love for the game.

Ida says the best thing about bowling is the great friendships she has made throughout the years here in Victoria and surrounding cities.

Her fondest memories will always be bowling with her “hubby” and daughter in league and in tournaments. “Loved our family affair.”

On behalf of the VUSBC, we welcome and congratulate Ida Caballero for being inducted into the Victoria USBC Hall of Fame.
