

## 2024 Hall of Fame Inductee:

# Lora West

### Achievement

Lora West was one of the top female bowlers of the Victoria Women's Bowling Association in the 1980's. Her Hall of Fame accomplishments include being the Women's City Tournament Champion in 1989 (1,726 series); bowling an impressive six (6) 700 series, with her 757 series at one time being a city record; in a six-year period she had the top women's average two times, second three times, and third one time. She still holds two city team records for 5-member women's teams: High Game 1,094 and High Series 2,912 – Kentucky Fried Chicken (2/5/1985). In 1985, Lora qualified for and bowled on the Ladies Pro Bowlers Tour.

Lora last bowled in Victoria in 1989, and her last league bowling was in Las Vegas, NV in the Southern Nevada USBC.

After a lengthy search our Association located Lora to extend an invitation to be inducted into the VUSBC Hall of Fame. Unfortunately, she passed away in July 2023 not knowing about the recognition. I truly believe she knows and is with us in spirit. Her daughter, Audra, said she's "excited for her mom" and already has the perfect place to hang the plaque.

***On behalf of the VUSBC, we welcome and congratulate Lora West for being inducted into the Victoria USBC Hall of Fame.***
