

Senior City Mixed All Events Champions

The Senior City Mixed All Events Champions are honored with their names on a perpetual plaque, one for the men and one for the women (beginning 1987). The Women's plaque is in memory of Mary Beller, the first lifetime member of the Victoria Women's Association. The Men's plaque is in memory of John Fox, who was instrumental in starting the Senior mixed league and the Senior mixed tournament. Listed below are the winners.

Note: Beginning in 2022 the Senior City Mixed All Events Champions are also honored with an individual trophy.
