

Senior City Mixed All Events Champions

The Senior City Mixed All Events Champions are honored with their names on a plaque, one for the women and one for men. The Women's plaque is in memory of Mary Beller, the first lifetime member of the Victoria Women's Association.

The men's plaque is in memory of John Fox, who was instrumental in starting the senior mixed league and the senior mixed tournament.

Listed are the winners, the women did not start their plaque until 1987.
